## REQUEST FOR DUES

### Fiscal Year 2010 Contribution

**Your contribution will be used to support the AZNRCD's efforts to assist, cooperate with, educate and inform:**

- Conservation District Supervisors, District Staff, Environmental Education Centers and conservation partners on the responsibilities and authorities of Conservation Districts; and increase/maintain District capacity to be effective in their role of identifying local/regional conservation challenges, and creating and implementing plans to address those challenges;
- Conservation Districts' utilization of available tools (financial, technical), such as the conservation programs from the USDA Farm Bill to address identified conservation issues, and continue the long time honored partnership with the USDA Natural Resources Conservation Service;
- Local, State, Regional, and National Leaders on effective land management and natural resource conservation issues in the State of Arizona and Tribal lands;
- Congressional/State legislators on the needed increased District/Staff support for critical on-the-ground conservation of all lands in Arizona (Private, State, Tribal and Public);
- Local Cooperators in their use and management of natural resources all in cooperation and consultation with Conservation Districts; including the effective monitoring, analysis and reporting of ongoing conservation efforts;
- Conservation District Supervisors, District Staff, Environmental Education Centers and conservation partners on the state, regional, and national issues and opportunities.
- Conservation Districts in their coordination efforts with local, state, and federal government agencies.

**2010 TOTAL REQUESTED DUES**
